Notice to Engineers and Surveyors

SEALING PROPOSALS will be received by the Planning Commission at its office, up to 10 a.m. on Monday, May 11, 1983, for the final assessment map of the city of San Francisco. The map must show accurately each square of ground and lot thereon separately, each street and alley as plainly laid down, the name or names of the owners of each lot, and the number of feet front and depth, and it to be substantially true in books of convenient size.

Good security must be named with each application, for the faithful performance of the contract.

JOHN MARBEE, Mayor
Mayor's Office, Box 19, 1853. 620

Repeating of Sidewalks.

THE owners of lots and parts of lots designed for parking are hereby notified that only one application for repeating of sidewalks has been prepared and published, requiring the

and re-paving of the sidewalk in front of the respective lots, and if they fail to have the same properly done within thirty days from the date hereof the work will be performed under a contract at the expense of said owners, as provided in the 3d section of the Thirtieth article of the charter:

West side of Third street, between Jefferson and Green.
